

The Creation of Now

Participant Information Sheet- Roller Skating

Thanks for your interest in participating in The Creation of Now. There are a number of ways to get involved from creating wearable art to circus, acting, movement, roller skating, violin and visual design. The information below is only relevant to the **roller skating stream with Sumer Addy**.

For further information on other participation streams please email:
seamail@southernedge.org.au.

Background information: In 2015, the town of Kworabup Denmark authored *The Creation of Now*, a multi-layered contemporary performance that creates a new world of imagination and mythology. Ten years on, Southern Edge Arts will create a new version that speaks to our sense of 'now' in the Great Southern.

Artistic Director, Annette Carmichael will lead a team of artists, young people and community members to recreate the world of Omo, an ancient child who seeks to find Now. A large intergenerational cast aged from 3 months - 70+ will wrap around this child on their final quest.

Group: The Edge of Nothing – Roller skating

We are seeking 8 roller skaters aged 12 years – adult to perform as 'The Edge of Nothing'. This is a wave of black punk that tries to consume the world of Omo.

The choreography will be created in collaboration with skaters to emphasis your strengths and ideas. You need to be able to roller skate backwards and forwards, turn, jump and come to a complete stop. See what the skaters did in 2015 - play from 54 mins

Cost

All performers will be required to purchase membership to Southern Edge Arts at the cost of \$20 per person. If this cost is a barrier to your participation, Albany Roller Derby League are able to cover this cost.

Costume

Please create your own 'punk' costume in all black. We recommend costumes have multiple textures – like netting, leather look, ripped black denim. Anything attached to your costume needs to be very secure and not cause a risk to other skaters or performers. Nothing sharp please.
